

Tree of Life

What is a Tree of Life?

Our Tree of Life is for celebrating life's important moments.

Whether you are celebrating a special occasion, an achievement, a birthday or a loved one, the choice is yours.

Our tree takes pride of place in our reception area, easily accessible for others to come and see your personal leaf dedication or make their own.

Sponsoring a leaf

There are 450 leaves on our tree, all waiting to be personalised.

Choose your leaf colour and your inscription, and in return for a donation we'll add it to our tree for 12 months.

Purchasing a leaf will help us to support more local people affected by sight loss.

**A bronze leaf could fund
5 safe and well calls to
those who are isolated.**

**A silver leaf could fund
a home visit to someone
with sight loss.**

**A gold leaf could fund
our Talking News service
for a day.**

After a year we'll ask if you would like to make another donation to keep your leaf displayed for a further 12 months. If you don't we'll return it to you as a treasured keepsake.
